Administrative and fund-raising costs for 2011 were 10.4%.

For more information, call (312) 795-3740; [www.earthshare-illinois.org](http://www.earthshare-illinois.org).

EarthShare Illinois is an alliance of America's leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment.

The environment is our drinking water, our neighborhood parks, our children's schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you.

Through the generosity of individuals at the workplace, EarthShare Illinois members are helping locally, nationally, and globally every day to:

- Offset the harmful effects of global warming;
- Reduce the number of asthma attacks children experience due to poor air quality;
- Eliminate industry-caused mercury in our waterways and fish that can cause health problems;
- Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife;
- Save endangered species, like the California condor and giant panda, and their habitats;
- Conserve and restore Illinois prairies and their native species; and
- Preserve open space and parks for our recreation, exercise, and wildlife.

We make it easy for you to make a difference. You can give to EarthShare Illinois or choose your favorite organization(s).

AMERICAN CANCER SOCIETY

## YOU ARE HOPE for those with cancer in Illinois

**THANK YOU** for supporting the American Cancer Society! Your gift funds lifesaving research, education and hands-on support for everyone fighting cancer in our state. **TAKE A LOOK** at what your dollars can do right now:

- \$15** pays for a cancer information kit to help a patient organize medical, prescription and financial records.
- \$40** provides transportation for a patient in need.
- \$50** covers pain and nausea medication for someone who otherwise would go without.
- \$100** helps a disadvantaged patient find quality care through private counseling and case management services offered by a Society social worker.

**We save lives and create more birthdays by helping everyone ...**

### Stay Well.

**We help you prevent cancer – or find it at its most treatable stages.** Every year, tens of thousands in our state learn how to reduce cancer risks through

Society programs held in workplaces, hospitals, schools and communities.

### Get Well.

**If you have cancer, we're in your corner 24/7.** Patients and families can find free services at more than 70 locations statewide or calling

800.227.2345 anytime, day or night.

### Find Cures.

**We support research that helps us better understand, prevent and cure cancer**

Right now we're funding over \$25 million in active research grants in

Illinois, working toward the next lifesaving breakthrough.

### Fight Back.

**We rally communities to join in the cancer fight.** Events like Relay For Life® and Making Strides Against Breast Cancer® keep our mission moving

forward. We work in Springfield and Washington, D.C. to make sure the voices of those with cancer are heard by lawmakers.

## About UNCF

Since 1944, UNCF (United Negro College Fund) has helped minority students live the American dream by helping more than 400,000 young men and women graduate from our colleges across the country. Today, UNCF supports approximately 60,000 students who attend more than 900 schools nationwide, including 38 UNCF-member institutions.

## How does UNCF raise funds?

Every year, UNCF receives generous support from dedicated corporations, foundations and organizations. UNCF also raises funds from thousands of individuals who make small donations to help talented, economically disadvantaged young men and women stay in school.

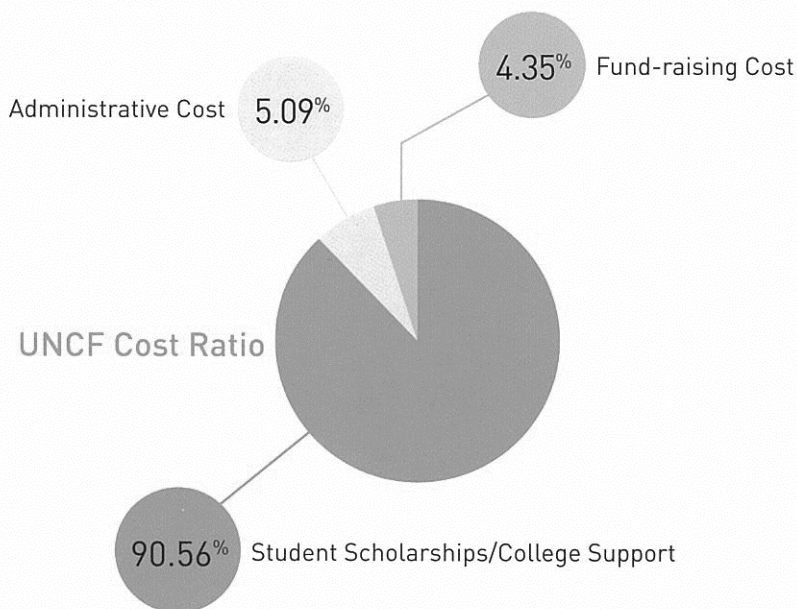

## I can only give a small amount. Will it really make a difference?

Yes, it will! Whether you give a little or give a lot, your gift is a lifeline to a talented student. Here's how:

- \$3 a week helps pay fees for one student for one semester.**
- \$15 a week helps pay fees for one student for one year.**
- \$18 a week helps pay for textbooks for one year.**
- \$52 a week helps pay for room and board for one student for one year.**
- \$187 a week helps pay the cost of tuition for one student for one year.**

## How much of my dollar goes to the students?

UNCF maintains a low cost ratio of 9.44 percent of total revenues. That means that approximately nine cents of your dollar is spent on administrative and fund-raising costs. So approximately 91 cents of your dollar is invested in student and college support.

**UNITED NEGRO COLLEGE FUND — Code 900-0000**

Total administrative and fund-raising costs for 2011 were 13 percent - 7 percent administrative and 6 percent fund-raising.

For more information, call (312) 845-2200 or go to [www.UNCF.org](http://www.UNCF.org).

America needs more college graduates. President Barack Obama has committed the country to regaining world leadership in the percentage of people with a college education.

Because America needs the teachers, scientists, public servants and citizens they will become. And it needs to make sure that African Americans and other minorities — who will be a majority of the population by 2050—get the help they need to attend college and graduate.

That means America needs UNCF.

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 38 historically black colleges and universities that are members of UNCF and their 55,000 students.

That’s why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it’s the right thing to do. And because, “A mind is a terrible thing to waste.®”

Part of an international program, Special Olympics Illinois provides year-round sports training, competition and a variety of skill-building opportunities for children and adults with intellectual disabilities. Athletes from every part of the state train for 8 weeks or more in 19 Olympic-type sports: alpine skiing, aquatics, athletics (track & field), basketball, bocce, bowling, cross-country skiing, equestrian, figure skating, floor hockey, golf, gymnastics, powerlifting, snowshoeing, soccer, softball, speed skating, tennis and volleyball. They are then eligible to participate at one or more of the 175 separate competitions held each year at the local, district, regional and state levels, with athletes competing in divisions based on age, gender and ability level.

The benefits of Special Olympics Illinois extend beyond the field of competition. Through Special Olympics, athletes develop a sense of pride and hope. They enjoy greater confidence and self-esteem. And their participation increases society's overall awareness of what these courageous athletes can achieve when given the opportunity.

Special Olympics Illinois relies solely on the contributions of corporations, individuals and civic organizations to make all of this possible. The organization is not funded by the Kennedy Foundation and is not a United Way agency. Nor does Special Olympics Illinois charge athletes or families to participate in the program. Your contributions support the nearly 22,000 Special Olympics athletes, and additional 11,000+ Young Athletes (between 2 and 7), who benefit from this truly unique programming.

# LIVE UNITED™

UNITED WAY

In communities across America and here in Illinois, local United Ways are improving lives by mobilizing the caring power of their communities. Each United Way is a partner in change, delivering measurable results by working with a broad range of people and organizations to identify and resolve pressing community issues.

What differentiates United Way from other charities is its volunteer review process of programs and initiatives seeking funding. Each United Way chooses its funding criteria and priorities to fit their local community.

*It doesn't matter how many programs or initiatives United Way supports. It's about United Way's work advancing the common good in communities across the country focusing on building blocks for a good life.*

Join your friends and neighbors and **LIVE UNITED** by supporting your local community.

Local United Ways are independent, 501(c) 3, not-for-profit organizations. As such, each United Way establishes their own policies and procedures for handling donor directed contributions. It is the intent of the SECA Advisory Board Ways and their member agencies according to how they handle these designations.

Where local United Ways list member agencies with a 7 digit SECA code the donor's directed contribution is automatically sent to the selected agency. Where local United Ways list agencies but do not include a SECA code, the contributions are distributed through the local United Way's volunteer review process.

Each local United Way determined how they would be listed in the 2012 SECA booklet and any questions should be directed to the specific local United Way.

To find out more about your local United Way, log on to United Way Worldwide's website at [www.liveunited.org](http://www.liveunited.org).

## **A LETTER FROM THE SECA ADVISORY BOARD AND CHARITY REPRESENTATIVES**

Dear Prospective Donor:

Thank you for considering SECA. Perhaps you have participated in the past, or perhaps you are newly familiar with the program. SECA allows you to give to charity over time either through annual payroll deduction or by writing a one-time check. You simply fill out a form indicating the amount you want to give, and turn it into your SECA ambassador. It's rather effortless, but very meaningful.

State and university employees and retirees have raised millions this way to help projects in their own backyards and beyond. In truth, the only hard part in giving may be narrowing your choice of charities from among all the qualified contenders listed in this booklet.

As you all know, it is increasingly hard to give. Your dollars are in constant demand. If your first instinct is not to give, I would ask you to think about the converse the reasons to give. Not only will you feel pride, but you'll be making a difference in the lives of people in need, the environment or animals. All the forms that come in from state and university in all different amounts, truly add up to making a huge impact on society.

Many people can't imagine life without the generous spirit and support of state and university employees like you.

Sincerely,

SECA Advisory Board  
and Member Charities

— *JOINING THE SECA LEADERSHIP GIVING CIRCLE* —

**Leadership in Giving**

The Leadership Giving Circle recognizes individuals contributing \$250 or more to one or more charities in the Illinois State and University Employees Combined Appeal (SECA).

Individuals giving at the Leadership level serve as strong examples to others and share the desire to help meet critical needs in their community.

**Commitment**

Joining the Leadership Giving Circle is strictly voluntary. Contributions to SECA charities at any level are greatly appreciated and help make a difference in the lives of people who really need help.

Knowing we can rise above the problems facing our community, our state, and the world, we can accept the challenge to keep pace with ever-growing needs by accelerating growth in our campaign.

**Recognition**

To become a member of the Leadership Giving Circle, make your SECA pledge at the desired giving level. In addition, be sure to indicate your desire to be recognized at the Leadership Giving level or to have your gift remain anonymous, meaning that your name will not be reported to the charities you are supporting.

Individuals wishing to be recognized as members of the Leadership Giving Circle will have their names published on the SECA website, [www.secaillinois.org](http://www.secaillinois.org).

**Leadership Giving Circles**

**Bronze - Membership is achieved by an annual gift of \$250 to \$499**

**Silver - Membership is achieved by an annual gift of \$500 to \$999**

**Gold - Membership is achieved by an annual gift over \$1,000**

***STATE EMPLOYEES — PARTNERS IN GIVING***

Participation in the State and University Employees Combined Appeal is important. Any gift is greatly appreciated and helps make a difference. Support of the SECA campaign demonstrates a willingness to help a single need or many needs within the community.

Thank you for your gift and understanding the impact and significance of a personal commitment through SECA.

## ***Benefits of Payroll Deduction***

- Makes a meaningful gift over time through small contributions each pay period.
- Creates great employee morale and goodwill within the workplace through organized giving.
- Manage your own philanthropy — you know when deductions start and that they can be stopped at any time.
- Minimizes costs and maximizes the contribution.
- Easier method of giving rather than a larger one-time gift.
- Saves time and takes little effort.
- Proven to increase individual gifts to charity at least four times over a given period and increase the overall campaign four-to-five times over that same period.
